

**GREAT NATIONAL RACE PROTESTS.**  
We understand that Theodore Winters, the owner of Norfolk, contemplates taking his horse to the East for the purpose of getting up a grand national horse race—each State to enter its best horse, steeple or ten thousand dollars entrance for. Norfolk will enter in such a contest, representing Virginia. It is believed that some six or seven States would in such a race compete for the stake. The racing men of the East may take for granted that there is considerable loose gold floating around in the pockets of the racing men.

California, the most of which they may very readily acquire and possess by merely producing a horse who will go through the formality of beating Norfolk in a fair three or four mile race.—*Sacramento Union.*

The disgraceful adventures of a married rake were published a few days ago, by all the New York papers. The mysterious letter "G" only was given in designating him. It seems his name is Getty, and he is the son of a wealthy pork dealer. His wife is a niece of President Harrison.

DEEP regrets are expressed at the removal of the Naval Academy from Newport, it deprives them of a trade of nearly five hundred thousand dollars a year, and robs many fair maidens of their accustomed moonlight ramble by the sea-side, and prospective chances of matrimony.

**U.S. Vets. and Soldiers of Salt Lake City.**  
Colonel William Smith, arrived at Camp Douglas, yesterday. They are a splendid bunch of men, and have the reputation of being splendid soldiers. The Camp Band escorted them into camp.

**These Companies, A D and F,**  
marched 28 miles yesterday, arrived in camp at half past 2 p. m. They averaged 27 miles per day, from Laramie here, and in the expressive words of Dr. Wolcott, "showed themselves as staunch and tough as Trojans. We are glad to welcome back Dr. Wolcott, looking, as he does, hale and hearty, after his long and arduous journeyings over the Indian country."

**NEW GUIDE BOOK.**—We are in receipt of Hall's Guide to the Great West. It is a hard book, containing a map and 200 pages, neatly printed on good paper, and is published in New York by D. Appleton & Co., and is acknowledged as the "table of distances" published on the first page of the volume. It purports to be "a traveler's, miners' and emigrants' guide and hand book to the Western, Northwestern and Pacific States and Territories; with a map of the best routes to the gold and silver mines, and complete table of distances; also the United States Homestead Law, mining laws of the respective States, &c." by Edward H. Hall, author of the Western Gazette, &c. The general information is about as correct, we presume, as can be given in a work of the kind, which endeavors to accomplish so much in the limited space, without a personal knowledge of the States and Territories described. One dollar enclosed to D. Appleton & Co., publishers, New York city, will guarantee you a copy by return mail, prepaid.

**FASTEST STAGING UPON RECORD.**—So far as we are informed, the extraordinary time made here by Louis McLane, Esq., from San Francisco to Salt Lake in 3 days and 19 hours, including the customary half hour stoppages for meals at stations, and six hours and a half extra delays, at Virginia, Egan Canyon and Dugout—is the very fastest of the age. Mr. McLane, at the invitation of Chas. E. McLane, Supt. of the Pioneer Stage Company, concluded to go east overland, and was thus sent kiting across the Sierras, accompanied by the latter gentleman to Virginia City.

At that place he was met by Jas. J. Tracy, Esq., Superintendent of the Overland Mail Company, who accompanied him to this place in one of his splendid coaches at an average speed of twelve miles per hour. Mr. McLane leaves for the east to-morrow, in one of Ben Holladay's O. S. Line coaches, specially tendered to him. This gentleman is too well known in the far west to require mention here. The general superintendent of Wells, Fargo & Co.'s express, on the Pacific coast, and one of the heaviest shareholders in the Pioneer and Overland Mail Line of stages, he has made his name synonymous with enterprise as it is with wealth.

Here is the "time table" of his trip: From San Francisco to Freeport (per steamer) 100 miles, in 9 hours and 30 minutes. From Freeport to Shingle Springs (per Railroad), 50 miles, in 1 hour and 35 minutes. From the latter to Virginia, Nevada, (per Pioneer Stage), 116 miles, in 13 hours and 45 minutes. And from Virginia to Salt Lake City (per Overland Mail Company Stage), 584 miles, in 64 hours and 30 minutes, including half hours for meals and 6 1/2 hours extra delay. Total, 850 miles in 3 days, 12 hours and 10 minutes, net. And all this without the least accident, or the breaking of a harness string. What do you say to that, ye "chewers" in the White and Green Mountain States?

**From San Francisco.**

San Francisco, Oct. 4.  
Gold in New York, September 30th, was 144 and 1/4; sterling 109 1/4 and 1/2.

General Mason is making rapid progress in organizing the Indian regiment in Arizona for Apache fighting. Company B, with ninety-four privates, officered by whites, are reported ready for duty at Maricopa Wells, and were mustered into the United States service last month. The whole regiment is filled by this time.

Among the passengers by the Constitution, to-morrow, are D. O. McNair, William Higby and wife, Levi Parsons, Mrs. T. S. King and family, Rev. J. D. Blain, Bishop Kingsley, W. Bell, Ferris Foreman, Captain Henry Burdett and L. H. Fane.

The bodies of Mrs. General Wright, B. Mathewson and A. Dwyer arrived from Crescent City by the Del Norte this evening.

The race for the Bank Exchange purse, between May Queen and Rosebud, at Bay View Horse Fair to-day, did not worth off. The race for the Willow purse for two hundred dollars, between Doc, Pat McCune, Chiswick, Lady Lancaster and General Evans, mile heats, but three in five, was won by General Evans; best time, 2:40 1/4. Chiswick tied him on the third heat, and was then withdrawn.

A gentleman named Pomroy, a professional geologist from Pennsylvania, who came here some months since, and has been exploring the oil region of the Colorado desert, the Salt Lake desert, and the Colorado desert, has been heard from. Before leaving he wrote a note to a friend, saying that he was going out of town, and would be back the following Thursday. He took no baggage with him except a carpet bag, and is said to have several hundred dollars in his possession. His age is 47, but he is a gray and appeared older.
